ROBERTA METSOLA IS THE 3RD FEMALE PRESIDENT OF EUROPEAN PARLIAMENT

Born in Malta in 1979, Roberta Metsola who has been an MEP since 2013, is the youngest EP President ever elected. She became First Vice-President in November 2020, and was Parliament's acting President after President Sassoli passed away on 11 January. She is the third female President of the European Parliament, after Simone Veil (1979-1982) and Nicole Fontaine (1999-2002).

Addressing the House immediately after she was elected, President Metsola said: "The first thing I would like to do as President is to think about David Sassoli's legacy: he was a fighter; he fought for Europe and for us, for this Parliament. [...] I will honour David Sassoli as President by always standing up for Europe, for our common values of democracy, dignity, justice, solidarity, equality, the rule of law, and fundamental rights".

"I want people to recapture a sense of belief and enthusiasm for our project. [...] Dear Europeans, in the next years, people across Europe will look to our institution for leadership and direction, while others will continue to test the limits of our democratic values and European principles. We must fight back against the anti-EU narrative that takes hold so easily and so quickly. Disinformation and misinformation, further amplified during the pandemic, fuel easy cynicism and cheap solutions of nationalism, authoritarianism, protectionism, isolationism", she added.

President Metsola underlined that "Europe is about precisely the opposite. It is about all of us standing up for one another, bringing our people closer together. It is about all of us defending those principles of our founding mothers and fathers that led us from the ashes of war and holocaust to peace, to hope, and to prosperity. Twenty-two years ago, Nicole Fontaine was elected 20 years after Simone Veil. It will not be another two decades until the next woman is standing here", she said. « Source : European Parliament
